All Items Are Being Donated to Children's Mercy Hospital

During your store Bread Bash which is being held on November 1, 2009, the Management Team at Original Bread is asking that all Associates take the opportunity to bring a NEW toy or Personal Care item for donation to Children's Mercy Hospital.

The Management Team at Original Bread will be wrapping and taking these items to the hospital for the many infants, children and teenagers that will not be able to leave the hospital for the holidays.

What Can I Bring?

Picture books	Calming music CD's	Toys with lights or sounds
Crayons	Coloring books	Markers
Construction Paper	Art Supplies	Watercolor paints
Stickers	Journals	Backpacks
Model cars/planes	Nail polish	Lip gloss/Make-up
Bath gels/sprays	Phone cards	Stackable toys in plastic
Hot wheels	Dolls	Stuffed animals
Pajamas or Socks	Shampoo/Soaps	Infant Supplies (Diapers or Powder)

Can I Bring Something Used?

The item MUST be new; due to illnesses that the children have, used items are not accepted.

What are the ages of the children?

The children range in age from infant to 18 years old and are male or female.

Where are the children from?

There are children of different races, cultural backgrounds, and from cities all over the country at Children's Mercy in Kansas City. Some travel 8 hours each way for treatment and medical care that the hospital offers.

Why are the children in the hospital?

Some suffer from birth defects, cancer or heart problems among many other physical conditions. Many of the children are in the hospital for months at a time and their parents might not be financially able to provide holiday gifts due to the cost of their care and travel expenses to and from the hospital.

Thank you for your participation to help many children smile this holiday season!
